

# CRS Recycling Guidelines

**What to Recycle** – We accept the following clean paper:

- cardboard flattened
- letterhead
- envelopes (regular, window & clasp)
- white paper
- colored paper
- computer paper
- advertising brochures
- direct mailings
- brown paper bags
- fax paper
- catalogs
- coated papers
- file folders
- magazines
- newspaper
- copy paper
- phone books

Only items that are going into the cardboard bales can be wet.  
All brown paper goes into cardboard bales.

All Newspaper type paper goes with newspaper load.

All other paper should be white and will be baled with the shredded paper.

## **Plastics:**

We also need to collect all clear film. This needs to be kept clean and dry.

PVC pipe is baled with the vinyl siding.
